Relationship to the Academy

The University is concerned about potential conflicts of interest in a board member's relationship with the Academy. A conflict of interest occurs when your personal interests interfere, or appear to interfere, in any way, with the interests of the Academy and/or management company. A conflict of interest can arise either when you have interests that may make it difficult for you to fully perform your obligations or when you otherwise take action for your direct or indirect benefit, or the direct or indirect benefit of someone else that is inconsistent with the Academy's interests. Conflicts of interest also arise when you, or a member of your family, receive improper personal benefits as a result of your position in the Academy. You have an obligation to disclose any fact, relationship or transaction that could reasonably be viewed as a potential or actual conflict of interest.
